

This image shows a blank sheet of lined paper, likely intended for handwriting practice. The page is enclosed in a solid black rectangular border. Inside this border, there are 28 horizontal lines. The first line at the top is a solid line. The second line is a dashed line, serving as a midline. The remaining 26 lines are solid lines, spaced evenly between the midline and the bottom edge of the page. The lines are evenly spaced and extend across the entire width of the page.
